

Melinda Cross

EMPOWERING & INTUITIVE
BUSINESS COACHING

ON YOUR OWN TERMS

What we'll cover over 12-weeks:

- **We'll identify your talents** – We will look at your specific skills and determine which one has the real potential to bring in significant income and how to monetise it;
- **We'll define your goals** – When you know where you want to go and plan a path to get there, you're already on the road to success;
- **We'll clear the blocks** – Let's delve into your money story, getting rid of the stuff that has been holding you back;
- **We'll find your tribe** – Identify them and build a business that will serve them;
- **We'll manage your time** – You have so much going on in your life, so you need to use your time in a way that will move your business forward without compromising on your mental space, your family and your duties;
- **We'll build your confidence** – Learn how to find your first customers, and sell to them without being pushy or salesy;
- **We'll. Make. You. Lots. Of. Money** – You can and you will.
